Dress Code

Remember that we are missionaries and our dress code considers giving us the best possible witness to the city of Pimentel and it is non-negotiable for team members. All clothing should be modest and should not reveal shoulders or midriffs. Dresses and shirts should have at least short sleeves.

- During activities at MIVA/CERINFA and the church facility in Caobete, Men's and Women's shorts should be to the knee, no more than 1 hand sideways above the knee.
- When engaged in ministry and activities outside of MIVA/CERINFA and Caobete, in the surrounding community, guys and girls may wear comfortable pants/slacks and girls may also wear skirts or dresses that come to the middle of the knee or lower.
- If you have questions, please ask and communicate with your leaders. An attitude of cooperation and servanthood is expected.

Any relaxing of the standards during the trip will be at the discretion of Pastor Radhames and will be communicated before activities that day.

Electronic Devices and Social Media

Social networking, messaging, e-mail and other forms of electronic communication allow for instant communication; however, improper use can produce serious consequences.

While the MIVA Campus does have WiFi connectivity, it is not guaranteed. If it is available during your trip, you will be given login instructions. The following recommended practices and guidelines apply commonly accepted principles of healthy boundaries for digital networking and communication.
